MATANOS L'EVYONIM

As in previous years, Rabbi Greenblatt will provide the service of having your Matanos L'evyonim tzedaka (charity to the needy) distributed on Purim day in Eretz Yisroel to the truly destitute and needy.

The Rav works closely and personally with an individual in Jerusalem who carefully checks out each recipient and attests to his/her need. Additionally, you may have your monies disbursed locally through Rabbi Greenblatt. All checks are tax deductible and can be made payable to: Agudas Israel Charity Fund
